

FREE Starter Guide — Your First Step Into Reselling

(after this guide, your next step is the vendor list)

Avoid These Common Scams

- Fake Phone Number Scam – never text random numbers people send you.
- Fake Ban Texts – ignore messages claiming your account is frozen or banned.
- Fake Vendor Pages – if you're using random TikTok vendors, you will lose money.

That's why I only use verified, safe suppliers.

Make Your First Sale Fast

You can start flipping immediately once you grab the vendor list.

Pick one item from my verified vendors and use the example posts inside this guide — copy, list it, and you're ready to make your first sale.

 **Lulu / Alo Sets**

- Cost: \$40
- Resell: \$150–\$180

 **Trending Streetwear (Spider, Hellstar, Denim Tears, Chrome Hearts)**

- Cost: \$30–\$50

- Resell: \$150–\$400

🔥 Cartier Jewelry

- Cost: \$70

- Resell: \$400–\$2,000

🔥 Watches

- Cost: \$500

- Resell: \$2,000–\$3,000

Just grab the list → follow the examples → post your first item → and you can get a buyer the same day.

How to Start Flipping in 3 Easy Steps

Step 1: Buy Your First Flip

- Start small: choose 1 in-demand item (activewear, jewelry, accessories, shoes, etc.)
- Buy low → sell high
- I can help you pick the best product + platform

Items that flip fast:

– Lulu

- Alo
 - Cartier bracelets
 - Van Cleef
 - Perfume
 - Uggs
 - LV beanies
-

✓ **Benefits:**

- Low risk, fast returns
- Learn while you earn
- Quick cash flow (same-day → 1 week flips)

Most beginners start with my Cartier Vendor or Ultimate Vendor List so they can flip items they buy for \$70 and resell for \$400–\$500.

Step 2: Sell Online or Locally

Best Online Platforms:

- Mercari – easiest, quick sales
- eBay – huge reach
- Poshmark – fashion sells fast
- Depop – trendy/vintage items

Best Local Apps:

- Facebook Marketplace – fast cash

- OfferUp – name brands move well
- Instagram/Snapchat – sell to friends/followers

 Pro Tips:

- Undercut the market slightly for faster sales
 - Take clean, well-lit photos
 - Meet locally in public places
 - Post your items on ALL platforms for max exposure
-

Step 3: Reinvest & Grow

- Flip profits → buy more products
- Post consistently
- Re-list daily
- Build daily or weekly income

Beginners who reinvest + use verified vendors see the fastest results.

That's why most people grab my vendor list as their first real step into reselling.

Want Your First Sale Faster?

If you want the exact vendors I use — the same ones that let me flip for \$150–\$500 profit — they're on my site with instant access.

If you want personal help, my mentorship teaches you how to:

- pick the right products
 - choose the best platform
 - list your items correctly
 - get your first sale fast
-

Real Reviews From People Using My Vendor Lists

“I bought the vendor list after the free guide & made my first sale in 24 hours.” – Kayla M.

“Her verified vendors are REAL. I made \$350 profit my first week.” – Jayden T.

“If you’re new to reselling, get the vendor list. The guide helped but the vendors made me money.” – Aaliyah R.
